Hi Darcy,

At your prompt, I reviewed our letters sent to OST over the years and we did not include an offer to set up a consultation plan in any of the letters. I reviewed the letters the OST has sent to us, which include three letters telling they want to consult with us, but they never requested that we set up a consultation plan for them.

I think the consultation plan offer is standard in our offers of consultation, isn't it? I think a review of the written response from OST on the letters would verify if they requested us to develop a plan.

Thanks!

Hi Darcy and Kim,
Can we review our recollections of offering a consultation plan to OST?
I recall offering a consultation plan to CRST (and they declined) but I don't recall offering this option to OST.
Darcy recalls offering a consultation plan to OST and they declined.
Kim, since you recommended offering the consultation plan to OST, what is your recollection related to this topic?
Thanks!
